2. The following changes were made to the previous task organization identified under Joint Force Bulletin #10, dtd 17 August 2004.

a. Air Guard will operate as an independent Guard Force. NJANG/CC assumes the responsibilities as the Commander, Guard Force Air National Guard.

b. Guard Force ANG receives all mission requirements from the Joint Operations Center (JOC) through the Air National Guard Liaison Officer operating from the Homeland Security Center of Excellence (HSCOE), Lawrenceville, NJ during MSCA operations. The ANG Liaison Officer in-turn, will task either 177FW or 108ARW.

3. New Jersey National Guard will organize into two (2) MSCA Guard Forces. The State will be divided by a North and South boundary, which will be separated along county lines (Reference Enclosure #1).

4. Each Guard Force will use this geographic area to populate itself from non-deployed units and from soldiers remaining from deployed units. The division of the State, North & South, represents primary areas of concern, but does not restrict state-wide mission assignments to guard forces.

5. Guard Force Aviation remains a functional Guard Force without a specified area of operation. Their Area of Responsibility is the entire State of New Jersey.

6. The 21ST Civil Support Team is not available for State Active Duty Missions.
7. Troops assigned to JFHQ/STARC are reserved for command and control, and will not be available for Task Force operations unless authorized by the Chief of Staff.
